

Benefits Of Practicing Correct A'mal

Practicing the correct A'mal promotes social solidarity and raises the rate of civic participation and interaction between individuals in a good way.

Allah says - " So whoever hopes for the meeting with their Lord, let them do good deeds and associate none in the worship of their lord". So by doing good deeds, one can get their most gracious gift which is meeting with the Lord.

Practicing the correct A'mal helps developing the economy of society as it contributes in raising the status of society among other societies as a result of the superiority that hit the economy and the human competencies in it.

One sort of good deed is to pray 5 times a day and by doing this, one can easily help to relieve back pain and joint pain, improve blood circulation, and have healthier brain and cognitive function

Practicing the correct A'mal strengthen our faith and helps us get closer to Allah SWT, it also shows the sincerity of our actions which will gain us forgiveness and help us repent from our sins.

Practicing the correct A'mal helps in representing the real image of islam in the most perfect way in which it is meant to be represented.
